

Duelling Tree Competition (.22)

Where - 50 MTR 'C' range 10:00 start.

What is required – 22RF Semi-automatic rifle with at least 2 high capacity magazines and up to 300 rounds of ammunition.

Course of fire – This competition take the form of a 'J' ladder knock out. Two shooters compete against each other to knock round as many paddle targets to the opponents' side of the tree as they can in 10 seconds. Shooters will make ready with magazines in the gun, option 1 (1 round in the breach, magazine loaded, safety engaged). Each round winner is decided when a shooter knocks all four paddles to the opponents' side or whoever has the most knocked round after the 10 seconds.

Entry fee - £3.00 towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Firearms will remain in bags at all times until a competitor is called to the firing point at which time they will bring their firearm to the table, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their firearms at the table and then return them to a place of safety. At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Gas Powered Pistol Competition

Where - Practical 'F' range 10:00 start.

What is required – Gas powered air pistol with at least 2 magazines and suitable pellets/BB's. Please note: you will be moving around the grass area of the range so sensible footwear is mandatory, as are eye and ear protection. Somewhere to keep you spare magazines is advisable.

Course of fire - To be arranged on the day. At SRPC we treat gas powered air guns in the same manner as firearms, experience of practical shooting to take part in this competition is recommended as it involves moving with a 'live firearm'. SRPC runs a practical shotgun course from time to time that will give suitable training for this event, please contact the club administrator for details of the next course.

Entry fee - £3.00 towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Guns will remain holstered at all times until a competitor is called to the firing point.. On completion of the stage, shooters will holster their guns and then return to a place of safety. At no time during the session will a shooter handle a gun unless in the presence of the RCO and with his/her permission, the only exception to this being when a gun is either being gassed or de-gassed, a specific area of the range will be allocated for this purpose. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Man v Man Competitions

(both Shotgun and PC Rifle)

Where - 25 MTR 'A' range (PC Rifle) & 'F' range (Shotgun) 10:00 start.

What is required – Shotgun: one multi shot shotgun, either semi automatic or pump action and approx 50 -100 rounds of ammunition. Pistol Calibre Rifle: one under lever pistol calibre rifle (.357/.44) and approx 50 -100 rounds of ammunition

Please note: you will be moving around the grass area of the range so sensible footwear is mandatory, as are eye and ear protection.

Course of fire – These competitions take the form of a 'J' ladder knock out. Three targets (bowling skittles) are set on the backstop sand @ approx 20mtrs, in front of the two firing points, a further stop plate target is placed close to the middle of the range @ approx 15 mtrs. Shooters will make ready with 3 rounds in the gun, option 2 (breach empty, magazine loaded, safety disengaged). On the start signal 2 shooters will place a receptacle on a post at the firing point; they will then engage the 3 targets on the backstop. Once these targets are down a compulsory reload is required before engaging the stop plate, the ammunition for all reloads must come from the shooters person or gun. There is no limit on top ups of ammunition.

Entry fee - £3.00 towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Firearms will remain in bags at all times until a competitor is called to the firing point at which time they will bring their firearm to the table, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their firearms at the table and then return them to a place of safety. At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Mini Rifle Practical Competition (.22)

Where - 25 MTR 'A' range 10:00 start.

What is required - .22RF Semi-automatic rifle with at least 2 magazines and approx 150 rounds of ammunition. Please note: you will be moving around the grass area of the range so sensible footwear is mandatory, as are eye and ear protection. Somewhere to keep your spare magazines is advisable.

Course of fire - To be arranged on the day. You **MUST** have experience of practical shooting to take part in this competition as it involves moving with a live firearm. SRPC runs a practical shotgun course from time to time that will give suitable training for this event, please contact the club administrator for details of the next course.

Entry fee - £3.00 towards the trophies.

At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Police Pistol One Competitions (PP1)

.22RF/LBR,LBP/PC Rifle

Where - 25 MTR 'B' range 10:00 start.

What is required – Either a .22RF Semi-automatic/bolt action rifle, an LBR/LBP or a Pistol Calibre Rifle, depending on which competition is being shot and approx 30 rounds of appropriate ammunition. Please note: you will be moving around the grass area of the range so sensible footwear is mandatory, as are eye and ear protection.

Course of fire –

Stage 1. 2x6 rounds shot @ 25mtrs in 2 mins.

Stage 2. 6 rounds shot @15 mtrs on turning targets 6x2 second showing with 5 second face away intervals.

Stage 3. 6 rounds shot @15 mtrs on turning targets 6x2 second showing with 5 second face away intervals.

Stage 4. 6 rounds shot @10 mtrs on turning targets, double tap, 3x3 second showing with 5 second face away intervals.

Entry fee - £3.00 towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Firearms will remain in bags at all times until a competitor is called to the firing point at which time they will bring their firearm to the position, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their firearms at the firing point and then return them to a place of safety. At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Note:

.22RF = .22 calibre semi-automatic or bolt action, rimfire rifle

LBR,LBP = Long Barrel Revolver, Long Barrel Pistol (.22RF)

PC Rifle = Pistol Calibre Rifle

Practical Shotgun Competition

Where – Practical Range 'F' range (slug stage -'D' Range) 10:00 start

What you require - A multi shot shotgun (Ideally one that holds 8 rounds but a 5 shot will suffice, semi automatic or pump action), bird shot, buckshot and slug ammunition, amounts required to be posted before competition.

Course of fire – To be decided by the organiser/RCO (full information on each stage briefing)

Eye and ear protection are mandatory during this competition. Stout, suitable footwear is required as you will be moving around a grassed range with a live firearm.

Entry fee - £3.00, towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Shotguns will remain in bags at all times until a competitor is called to the firing point at which time they will bring their shotgun to the position, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their shotguns near to the firing point and then return them to a place of safety. At no time during the session will a shooter handle a shotgun unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Shotgun Slug Competition

Where - 100 MTR 'D' range 10:00 start

What you require - 24 x 12 gauge slug ammunition and a multi shot shotgun (Ideally one that holds 8 rounds but a 5 shot will suffice, semi automatic or pump action)

Course of fire - 8 shots @ 25Mtrs standing, 8 shots @ 50Mtrs standing & 8 shots @ 100Mtrs sitting.

All stages to be shot in 60 seconds, gun in option 1 (one round in the chamber, safety catch engaged), 4 rounds in the gun, strong hand at trail. Full instructions for the competition will be given by the RCO before the start.

Eye and ear protection are mandatory during this competition

Entry fee - £3.00, towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Shotguns will remain in bags at all times until a competitor is called to the firing point at which time they will bring their shotgun to the position, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their shotguns at the firing point and then return them to a place of safety. At no time during the session will a shooter handle a shotgun unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

V Drill Competition (.22)

Where - 50 MTR 'C' range 10:00 start.

What is required - .22RF Semi-automatic rifle with at least 2 magazines and up to 200 rounds of ammunition.

Course of fire - To be arranged on the day. The drill involves shooting at 5 targets, positioned in the shape of a 'V' with different patterns of shooting on each, these will be decided by the organiser/RCO and will be explained fully on each stage briefing.

Entry fee - £3.00 towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Firearms will remain in bags at all times until a competitor is called to the firing point at which time they will bring their firearm to the table, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their firearms at the table and then return them to a place of safety. At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Silhouette Competitions

Where - 100 MTR / 'D' range 9:30 start

What is required - One .22RF Sporting rifle, Semi-auto or bolt action with a 10 round magazine and 10 rounds of standard velocity ammunition (ammunition such as Mini Mag are not permitted in the silhouette competitions)

Course of fire -10 shots standing, supported. Engage the 10 silhouettes, one shot fired at each one in turn, to be completed within two minutes. The most knocked down in the fastest time wins.

There are 5 competitions during a year which are:

1. Chickens @ 40 mtrs
2. Pigs @ 60 mtrs
3. Turkeys @ 77 mtrs
4. Rams @ 100 mtrs

The four aggregate scores of the above are totalled over the year.

5. Multi silhouette @ 100 mtrs (this is a separate competition)

Entry fee - £1.00, towards the trophies.

Following the scored session, there is usually a 'money' round in which that highest 3 scores divide the pot - £1 per entry.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Firearms will remain in bags at all times until a competitor is called to the firing point at which time they will bring their firearm to the firing point, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their firearms and return them to a place of safety. At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.

Pistol Calibre Rifle/.22 Rimfire 1500 Competition

Where - 50 MTR 'B' range 10:00 start.

What is required - One Under Leaver Pistol Calibre/ .22 Rimfire rifle and approx 75 rounds of ammunition. Please note: you will be moving around the grass area of the range so sensible footwear is mandatory, as are eye and ear protection. Somewhere to keep your spare ammunition is advisable.

Course of fire – This is a multi discipline competition in 4 stages.

Stage 1. 12 shots at 10 metres, standing unsupported in 30 seconds

Stage 2. 6 shots kneeling, 6 shots left handed & 6 shots right handed standing, unsupported at 25 metres in 90 seconds

Stage 3. 6 shots kneeling, 6 shots sitting, 6 shots left handed, 6 shots right handed standing, unsupported at 50 metres in 165 seconds (2mins 45 secs)

Stage 4. 6 shots at 25 metres, standing unsupported in 12 seconds

Entry fee - £3.00 towards the trophies.

Competition & Range Rulings – The competition organiser will act as Range RCO for the duration of the session. Firearms will remain in bags at all times until a competitor is called to the firing point at which time they will bring their firearm to the point, bagged and will only un-bag on the instruction of the RCO. On completion of the stage, shooters will re-bag their firearms at the firing point and then return them to a place of safety. At no time during the session will a shooter handle a firearm unless in the presence of the RCO and with his/her permission. Failure to observe the instructions of the RCO will result in the shooter being sent off the range.
